

Compare the same job.

Record what is actually included in each quote. The table does not choose for you; it makes differences visible.

Question	Quote 1	Quote 2	Quote 3
Company and quote date			
Fixed, hourly or estimated price			
Minimum charge and what counts as working time			
Included: carrying, materials, packing, assembly			
Excluded: travel, stairs, waiting or extras			
RUT: labour treatment and detail to check			
Date, time window and change terms			
What needs written confirmation			

A lower total does not automatically mean the same job.
